Does a formula make us deaf to God?

If

Demonstration: Goal is??

Goal is...

- Objective
- Everyone has a goal...
- Maybe not the same goal
- Interpretation can be different
- Completely different

- What is God's?

Prince of Egypt: Moses

Examples:

- ✓ #1 – Moses kills the Egyptian (Exodus 2:11-15)
 Bad Example

- ✓ #2 – Moses approaches the burning bush and listens to God (Exodus 3:1-7)
 Good Example

- ✓ #3 – God rescues Moses after birth (Exodus 2:5-6)
 Good Example

- ✓ #4 – God rescues the Israelites (Exodus 3:8)
 Good Example

Exodus 3:8

“So I have come down to rescue them from the hand of the Egyptians and to bring them up out of that land into a good and spacious land, a land flowing with milk and honey—the home of the Canaanites, Hittites, Amorites, Perizzites, Hivites and Jebusites.”

Indication of Provision

- Exodus 3:12
- Exodus 3:14
- Exodus 3:17
- Exodus 3:20-21

Problems = Worry?

- Anxious
- Upset
- Don't listen

- But wait when I am upset, **I need to listen**
- **Problems = Opportunity to listen to God**
- **Live obediently and listen for God**

Pay Attention

- **God's Provision may include working through us**
 - We don't stand by waiting and doing nothing
 - We can live obediently (faithfully trusting God)
 - We can seek Him out through prayer (listening)
 - We can know about Him through His Word (study)
 - We can aim to be the person God wants (witness)
